(bablings, notes, rumors, & views)

"ℜ" The Art of Erotic Dance: a strip tease workshop by Sandi former exotic dancer, a sensual submissive in the local Portland community.

The art of erotic dance is more than just taking your clothes off and tossing them across the foot of the bed. It is about sensuality, seduction and the art of illusion.

In this workshop, many tricks of professional exotic dancers are revealed: Learning to move sensually, to the rhythms of lustful music; Seducing your playmate in a manner to create desire and appreciation of your own physical and sexual assets;

And using illusion to showcase your best features, while minimizing your perceived flaws. This workshop is not only for the closet dancers, but for the ones they may select to view their erotic, artistic movements. Learn to build self esteem, unleash your hidden exhibitionist, and most of all, HAVE FUN in this hands on (yes, we do meani t!) seminar that will rev up your sex life!

Play nice,

Non-Members & The Curious Are Welcome At RCDC !!!

RCDC MISSION STATEMENT

WHAT IS RCDC - The Rose City Discussion Club holds meetings in Portland and welcomes all ladies and gentlemen of BDSM/fetishes/scenes that are *safe, sane, consensual, and FUN*. Our mission is to offer an informal neutral forum and a supportive environment to diverse alternative interests. RCDC stresses education, resources, and social in a friendly atmosphere.

NOT – RCDC is **NOT** a swing club, nor do we offer dating or professional services. RCDC does not accept unlawful or non-consensual orientations such as abuse, bestiality, under age, or dangerous interests. RCDC doesn't maintain mailing or phone listings, nor do we give out such information.

MONTHLY MEETINGS - RCDC features guest speakers and lively discussion and stresses education, safety, resources, workshops, social, and great FUN. Meetings are attended by ladies and gentlemen (75+ people) of all interests, ages, and backgrounds (just like you). You are not required to join the club to attend and proper "normal" appearance is requested.

ACCEPTANCE/SUPPORT – Our membership promotes the encouragement of people in their acceptance of themselves as normal, productive individuals that also have unique preferences. Different is the norm here.

WHO ATTENDS MEETINGS – Open to all adults over 18 years of age. RCDC is pansexual and honors diversity (like no one else can) and is open to ladies, gentlemen, couples, and singles. Members, non-members, visitors, beginners, "mainstreamers", and "newcomers" are all welcomed and encouraged to attend the monthly open program meetings.

SINGLES - If you are single, or part of a couple & attending as a single, you are most welcome to attend meetings. Our goal is continue to create a high quality safe atmosphere that single people will find comfortable.

NEWCOMERS – You are more than welcome and you will find plenty of company. You're OK and you are not alone.

BEYOND BDSM - RCDC is open to all fetishes and interests that are safe, sane, and consensual. If you have a fetish or interest other than BDSM, RCDC is still the right place for you. People of various fetishes and interests attend RCDC meetings, though these interests are less noticeable (up to you to change this!).

NAME TAGS

Name Tags. Everyone is encouraged (forced if needed) to make out a name tag (use any name you like!). There are three colored dots (black, red, and green) that you can stick on the name tag to let others know something about yourself.

Black dot-Top
Red dot -Bottom
Green dot- Kinky, alternative lifestyle, fetishes, or ????
Blue dot -Vanilla

If you are a switch, you would put a black and red dot on your name tag. If you are a kinky switch, put all three colors.
If you are just kinky with no top/bottom orientation, just put on a green dot. You get the idea, right?

You can also write other information on your name tag such as sexual orientation; ISO others, fetishes, and we are sure some of you will need more than one name tag to list your erotic interests!
