RCDC MISSION STATEMENT

WHAT IS RCDC - The Rose City Discussion Club holds meetings in Portland and welcomes all ladies and gentlemen of BDSM/fetishes/scenes that are *safe, sane, consensual, and FUN*. Our mission is to offer an informal neutral forum and a supportive environment to diverse alternative interests. RCDC stresses education, resources, and social in a friendly atmosphere.

NOT - RCDC is **NOT** a swing club, nor do we offer dating or professional services. RCDC does not accept unlawful or non-consensual orientations such as abuse, bestiality, under age, or dangerous interests. RCDC doesn't maintain mailing or phone listings, nor do we give out such information.

MONTHLY MEETINGS - RCDC features guest speakers and lively discussion and stresses education, safety, resources, workshops, social, and great FUN. Meetings are attended by ladies and gentlemen (75+ people) of all interests, ages, and backgrounds (just like you). You are not required to join the club to attend and proper "normal" appearance is requested.

ACCEPTANCE/SUPPORT - Our membership promotes the encouragement of people in their acceptance of themselves as normal, productive individuals that also have unique preferences. Different is the norm here.

WHO ATTENDS MEETINGS - Open to all adults over 18 years of age. RCDC is pansexual and honors diversity (like no one else can) and is open to ladies, gentlemen, couples, and singles. Members, non-members, visitors, beginners, "mainstreamers", and "newcomers" are all welcomed and encouraged to attend the monthly open program meetings.

SINGLES - If you are single, or part of a couple & attending as a single, you are most welcome to attend meetings. Our goal is continue to create a high quality safe atmosphere that single people will find comfortable.

NEWCOMERS - You are more than welcome and you will find plenty of company. You're OK and you are not alone.

BEYOND BDSM - RCDC is open to all fetishes and interests that are safe, sane, and consensual. If you have a fetish or interest other than BDSM, RCDC is still the right place for you. People of various fetishes and interests attend RCDC meetings, though these interests are less noticeable (up to you to change this!).

BALL BUSTING

This is definitely an edge play sport for those willing to experience it. There is a special erotic sensation when those tender objects are subjected to this unique play. Kicking a man in the balls is very sexual for the giver and receiver; it is such a sweet power exchange. Often times, the man will get an erection before, during and after the ball busting. The object in this type of edge play is not to hurt, nor harm the balls; it is more of a delightful endorphin rush! Both females and males can experience feet and knees in the crotch, and it is equally stimulating. Basic tips and skills will be demonstrated on our model(s). Of course, others are more than welcome to participate as well.

The demonstration will cover personal experiences, safety, how to stimulate the balls for ball busting, how to hit with your hands, and other objects, and absolutely feet play.. kicking in the balls, and crotch. Yes, most men this has been suggested to originally said, "NO WAY!" the first time, but then after safety talk, a hand demonstration, soft sensual feet play. well, they went all the way. AND LIKED IT! AND WANTED MORE. The invitation is for you to watch, learn, and see if you want to experience this yourself, man or woman. The only tool you need is your hands and feet.

Cindy Morgan is a Mistress, a Switch Player and a Fetish Costume Designer running her own business. Although Cindy is fairly new to the leather community, she has been actively involved in the BDSM community for over 5 years. She leads a very busy life with her costume business, schedules time to serve as the Vice President of Blackout Leather Productions, raises funds for charities, and vends at various local NW events. Her delightful play and passion as she encourages the people she plays with to reach a higher awareness of safe and sensual play, while laughing and taking them to the edge is entertaining and infectious.

RCDC HOLIDAY AUCTION & BASH DECEMBER 11th 2006

RCDC Holiday Auction & Bash is December 11th, Monday, 6:00pm, and includes pizza buffet, full no host bar, AUCTION, Pamela Clause, sexy elf, and holiday social. Members and non-members are all welcome to attend.

*December 11th, Monday, 6:00pm
Ambridge Event Center
300 NE Multnomah Street
Portland, Oregon*

6:00pm - pizza buffet, viewing auction items
7:00 pm - Auction
8:00 pm - Holiday social

The RCDC auction will be a combination of services, vanilla items, kink items, gift certificates, mystery, and pure FUN! All of the auction funds will be used for RCDC functions and membership benefits such as the holiday food and beverage buffet, attracting out of area RCDC workshop presenters and special perks for RCDC members.

If you are interested to volunteer a service, we have some easy ideas, which will be auctioned in a special manner. Service items could include; photography session, house cleaning, "massage-body work", web/computer service, yardwork, chauffeur, body painting, dungeon use, lessons, skilled trade, etc. Doms can have slaves bid on the privilege of doing a chore for you, maybe you can read an erotic story, or indulge in a fantasy.

RCDC is also seeking auction items from vendors, retail outlets, businesses, clubs, organizations, and individuals. RCDC is also seeking give-always to all that attend; coupons for a discount, trial size items, etc.

The success of the auction will depend on you to donate a product or volunteer a service for the auction (or convince others to donate). 100% of auction funds will be used for RCDC benefits for 2006-2007. Please contact me regarding your auction donations and ideas. There will be a limited amount of quality donations that can be accepted, first come-served. A listing of current auction items will be posted very soon.

RCDC MEETING - OCTOBER 23, 2006

“Dare To Wear”

Once a year at the October workshop meeting, RCDC dares you to wear fetish attire, fantasy, accessories, restraints, cross-dressing, gender bending, corsets, plaid shirts, mini skirts, topless, bottomless, naked, masks, face painting, Goth, feathers, boots, bell bottoms, puppy wear, Victoria Secret, latex, lace, wigs, spandex, hats, veils, trench coat, fur, leather, uniforms, costumes, toga, tux, saran wrap, body paint, etc. Dressing areas will be provided at the meeting.

“Dare To Wear” is not a Halloween Party and is not a costume contest, rather a special time to express yourself in a safe and very accepting environment.

"Dare To Wear" is optional and you are dared to just show up and wear your "normal" attire (which for some people is weird enough!).
