

ROSE CITY DISCUSSION CLUB

THE LARGEST CLUB OF ITS KIND IN THE UNIVERSE - SINCE 1993

March 5th, 2007, Monday, 7:00 PM

Erotic Gloves By Coral

From latex to leather, from velvet to rubber, gloves are an object of desire fear and status. What I will discuss is why are gloves sexy, what types of gloves there are, what types of play use them, and what does one do with a pair of gloves in scene?

I have volunteers to help me so you can see how gloves are incorporated into play, uniform fetish, fisting, and domination play.

I also have a selection of gloves to show.

Non-Members & The Curious Are Welcome At RCDC !!!

RCDC MISSION STATEMENT

WHAT IS RCDC - The Rose City Discussion Club holds meetings in Portland and welcomes all ladies and gentlemen of BDSM/fetishes/scenes that are *safe, sane, consensual, and FUN*. Our mission is to offer an informal neutral forum and a supportive environment to diverse alternative interests. RCDC stresses education, resources, and social in a friendly atmosphere.

NOT - RCDC is **NOT** a swing club, nor do we offer dating or professional services. RCDC does not accept unlawful or non-consensual orientations such as abuse, bestiality, under age, or dangerous interests. RCDC doesn't maintain mailing or phone listings, nor do we give out such information.

ALMOST MONTHLY MEETINGS - RCDC features guest speakers and lively discussion and stresses education, safety, resources, workshops, social, and great FUN. Meetings are attended by ladies and gentlemen (75+ people) of all interests, ages, and backgrounds (just like you). You are not required to join the club to attend. There is no dress code inside the safety of the meeting room.

ACCEPTANCE/SUPPORT - Our membership promotes the encouragement of people in their acceptance of themselves as normal, productive individuals that also have unique preferences. Different is the norm here.

WHO ATTENDS MEETINGS - Open to all adults over 18 years of age. RCDC is pansexual and honors diversity (like no one else can) and is open to ladies, gentlemen, couples, and singles. Members, non-members, visitors, beginners, "mainstreamers", and "newcomers" are all welcomed and encouraged to attend the monthly open program meetings.

SINGLES - If you are single, or part of a couple & attending as a single, you are most welcome to attend meetings. Our goal is continue to create a high quality safe atmosphere that single people will find comfortable.

NEWCOMERS - You are more than welcome and you will find plenty of company. You're OK and you are not alone.

BEYOND BDSM - RCDC is open to all fetishes and interests that are safe, sane, and consensual. If you have a fetish or interest other than BDSM, RCDC is still the right place for you. People of various fetishes and interests attend RCDC meetings, though these interests are less noticeable (up to you to change this!).

FOUNDERS FORUM & SOAP BOX SUDS

(babblings, notes, rumors, & views)

Kinkfest is March 23-25 and there will be no RCDC meeting in April since I am sure everyone will need a long deserved rest. In May, RCDC will celebrate our 14th Birthday Bash! Check the web site for date and specific details.

Tonight, RCDC introduces the new PA sound system ...13 years in development deep in the dungeons at RCDC World Headquarters'we are now able to amplify the spoken word using state-of-art wireless technology. Even the pervy folks in the back row at meetings will hear the subtle cries of pain from the workshop volunteers. We are still trying to figure out all the dials and buttons on the sound system control panel....such as the dial marked "alien contact" and the pop up antenna that seems to always point to the same star! The new sound system is thanks to the RCDC Holiday Auction in December 2006.

Volunteer for Kinkfest 2007 March 23-25th. Free t-shirt, \$20.00 coupon for vendors area, other perks...contact Ralph (me) KF2007 Volunteer Coordinator. rcdc@teleport.com

WILLAMETTE WEEK'S BEST EUPHEMISM

"Politically motivated citizens, bookish singles and new arrivals to Portland wanting to find out more about the city might be all be caught up by the enticingly tame-sounding ROSE CITY DISCUSSION CLUB. What they'll soon discover is that this year's topics for discussion included nipple clamps, flogging, and multiple male orgasms. The Northwest's "Largest open pansexual club" does welcome new members and prides itself on providing a safe and open atmosphere to talk about sexuality.
